

FEBRUARY NEWSLETTER

RE-INTRODUCTION OF THE NEWSLETTER

After a long break, we have re introduced the newsletter to establish an extended level of transparency for the entire general membership. These newsletters will be posted monthly during active seasons. We invite you to keep up with these monthly, so everyone can stay up to date with current projects and other things! Please reach out to the board with any questions in preparation for the spring season!

BOARD SPOT AVAILABLE

We are currently in search of a new Treasurer to serve our board. This position is a volunteer spot, no experience is required for this, as the majority of the accounting work is done by the state's treasurer. This position is a great way to gain experience in the field as well as a way to play a key role in this district's success. If you or someone you know is interested in this position or if you have any questions, please reach out to Michael Schmidt directly at mschmidt5426@gmail.com or 607-765-3381.

RE-CERTIFICATION UPDATES

As most of you have seen, recertification has been opened for all returning referees for the 2026 season. We encourage you to complete this process as soon as possible to avoid additional charges. Registration fees will increase by \$40 on April 1st, 2026. Questions about recertification should be targeted towards DRA, Tim Barnes.
